

Call for papers
Applications of Computer Algebra
ACA 2021 Springer PROMS volume

We kindly invite all participants of ACA 2021 to submit a paper to the Springer PROMS volume dedicated to ACA 2021. Topics include, but are not limited to:

- Computer Algebra Modeling in Science and Engineering
- Computer Algebra in Education
- Applied and Computational Algebraic Topology
- Computer Algebra for Dynamical Systems and Celestial Mechanics
- Computational Differential and Difference Algebra
- Algebraic and Algorithmic Aspects of Differential and Integral Operators
- Dynamic Geometry and Mathematics Education
- Computer Algebra in Coding Theory and Cryptography
- Parametric Polynomial Systems
- Algorithms for Zero-Dimensional Ideals
- Numerical Differential and Polynomial Algebra

as well as any topic covered in the special sessions of ACA 2021.

Paper Submission

Authors must prepare their articles using the PROMS format and submit at <https://easychair.org/conferences/?conf=aca2021>
